Financial well-being: Changing the way we think about wellness

Come to speak with our expert:

Samuel Mitchell
President & CEO
Sentinel Benefits & Financial Group

Sam joined Sentinel in 2000, holding varied roles within the organization and most recently serving as President of Sentinel Benefits Group, LLC the largest of Sentinel's business units. His professional background includes consulting and administration for employee benefit plans, including retirement plans, health and welfare plans, Section 125 and other reimbursement plans, and COBRA.

Cybersecurity: It's 2AM. Do you know where your data is?

Come to speak with our expert:

Patrick Kelley
Principal Security Engineer
Critical Path Security

Patrick Kelley is an Information Management and Security veteran with 20 years of experience in the field. His initial research into security was conducted in 1995 with efforts of hardening mixed heterogeneous environments. He was part of the beta team for Novell Directory Services, Windows 2000 Active Directory, and has found numerous vulnerabilities in industry-leading security products, including Sourcefire, Apple, Cisco, and Websense.
